To

The Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

Subject.

Budget Estimate of the Census Department for 1922-23.

SIR,

With reference to your letter No. 1131/Books dated 20th March 1922 on the above subject, I have the honour to forward herewith the Budget Estimate of the Census Department for 1922-23 providing for an expenditure of Rs 35,000 for 1922-23 i.e., only till 31st December 1922. For the reasons set forth in the memo. accompanying the Estimate, the amounts provided by me under the several heads are absolutely necessary to meet the requirements of the Department and may therefore be allowed.

2. In this connection I may add that out of a total allotment of Rs 1,59,400/- provided in the Budget for 1921-22 for Census expenditure a sum of ~~Rxxxxx~~ only Rs 1,11,670-11-1 has been, according to my office accounts, expended by me till the 28th February 1922, and an additional expenditure of Rs 27.337-6-11 is expected to be incurred during the remainder of the current year, thus leaving a net saving of Rs 20,391-14-0 for the year 1921-22; and but for the expenditure of Rs 15,000/- anticipated by the Superintendent. Government Printing.

Printing, under "Press and Stationery" charges during the year 1922-23 for printing and binding the Census Report and Tables Volumes, the allotment now applied for viz. (Rs35,000-15,000 or) Rs20,000/- is well within the limit of savings to be effected during the current year.

3. As regards large variations in figures in the revised Census Budget for 1921-22 as compared with those in the original estimate for that year referred to in para 2 of your letter under reference I may invite your attention to my letter No. 1084 dated 14th September 1921 addressed to Government through you applying for a supplemental grant of Rs 38,200/- and in which the need for additional grant was fully explained (vide copy enclosed). No such variations will be found in the figures now proposed for 1922-23 as compared with those for the previous years.

4. The enclosures received with your letter are herewith returned.

I have the honour to be,

S I R,

Your most obedient servant,

Sd.-- V. R. THYAGARAJAIYAR,

Memorandum to accompany
the Census Budget for the year
1922-23.
-:o:-

The Compilation of the Imperial Tables is nearing completion and the preparation of the Village and Taluk Tables now in progress is expected to be over by the end of April at the latest. Then the drafting of the Report and the Administrative Volume will be pushed through and this work is expected to be over by about the end of July 1922. Thereafter the printing and distribution of the Census Report Volumes as well as the winding up of the Department will engage the attention of the entire Department till about the end of October, leaving the printing of the Talukwar and Village population Tables Volumes, parts IV & V, to be taken up thereafter and completed.

2. The services of all the officers of the Department and of the present fixed Establishments of both the Census Superintendent's Office and Central Abstraction Office together with one Head Supervisor will thus be required till the end of October 1922 (with the Central Abstraction Office Establishment slightly reduced as indicated in the appended statement). Thereafter, the second Assistant will be placed in charge of the remaining work i.e., the printing of the Talukwar and Village population Tables as also of the work of finally winding up the Departmental work by disposing of the records and other matters, the establishment as given in the appended statement helping him in this work for about two months i.e., November and December 1922.

3. Thus in view of the actual requirements of the Department under the several Budget heads the allotments required for expenditure during the six months ending 31st December 1922 and which have been arrived at after a very careful calculation, are shown in the accompanying statement, and no further reduction can be made without impairing the efficiency and requirements of the Department.

Copy of letter No. 1084/F.176-17 dated 14th September 1921, from the Census Superintendent in Mysore to the Secretary to the Government of His Highness the Maharaja of Mysore, in the General Department, Bangalore, through the Comptroller to the Government of Mysore.

Adverting to correspondence ending with letter No. 771/Census 4-21-2 dated 19th August 1921 from the Chief Secretary to Government I have the honour to submit herewith the supplemental Census Budget for 1920-22, with a memorandum and a statement.

2. It will be seen therefrom that the additional amount required comes up to Rs 38,200/-. For reasons explained in My D.O. No. 344/F.176-9 dated 27th July 1921 and owing to the fact that the defects in slip copying etc., which was imperfectly done in the Census Charges had to be rectified in the Central Abstraction Office, it is not possible to dispense with a supplemental budget for this year, the available data at the time of the framing of the original budget being admittedly insufficient. Further details are given in the supplemental budget and the enclosures thereto.

3. The total expenditure on Census work for 1920-21 has not yet been officially reported by the Comptroller; but I understand informally that the amount is about Rs1,06,000/-. The total amount allotted for 1920-21 is (Rs69,100+42,500 or) Rs1,11,600 and not Rs1,06,000 as given at page 32 of the printed budget. The sanction of the original budget for Rs69,100 was intimated to me in Comptroller's letter No. 121/Books dated 19th July 1920 (vide also page 31 of the printed budget for 1920-21) and the supplemental budget for Rs 42,500 was sanctioned in Government Proceedings No. G.20785-6/Census 41-20-2 dated 5th May 1921. It will thus be seen that the total actual expenditure for 1920-21 will not exceed the total budget grant for 1920-21.
